Terms and Conditions

- A standard freeze-drying run consists of four (4) trays. If your order does not require all four trays, Blue Gypsy Homestead reserves the right to combine your order with those of other customers to maximize the efficient use of the freeze dryer. Only compatible food items will be processed together to maintain product quality and prevent the transfer of flavours or odours.
- If your order includes more than one product and you would like the items packaged separately, please specify your packaging requirements when placing your order. We are happy to package each item individually to ensure your products are returned exactly as requested. Additional packaging charges may apply. Please refer to the pricing chart above for current container and packaging fees.
- Blue Gypsy Homestead reserves the right to decline any freeze-drying order if, in our sole discretion, the product is unsuitable for freeze-drying, may damage our equipment, poses a food safety concern, or could adversely affect the quality of other customers' products.
- The standard turnaround time is approximately ten (10) calendar days from the date your order is received unless the Rush Service option has been selected. Estimated completion and delivery dates are provided as a courtesy and are based on our current workload and normal operating conditions. While every reasonable effort will be made to complete your order within the estimated timeframe, Blue Gypsy Homestead cannot guarantee specific completion or delivery dates and shall not be liable for delays resulting from circumstances beyond our reasonable control, including, but not limited to, equipment failure, power outages, supplier delays, severe weather, transportation disruptions, or other unforeseen events. Should a significant delay occur, we will notify you as soon as reasonably possible.
